

12 credits in the

Psychology (3+3 Curriculum Plan)

Curriculum Sheets, EAB Navigate, and AUAdvise

The information on this page and the Curriculum Sheet is provided in AUAdvise and EAB Navigate as a static tool for discussion purposes when meeting with students to schedule [Degrees.Audit](#) [uAcheive](#)

be used together with the Curriculum Sheet to determine whether the information noted during scheduling meetings on the curriculum sheet is accurate.

General Notes

- { A minimum of 123 credits are required for graduation.
- { Where appropriate, courses required for the major can be used to satisfy General Education requirements. However, the credits earned for these courses are applied ~~to~~ ^{to} General requirements or the major, not both.
- { Paths of Knowledge coursework may count towards major or minor requirements but may not fulfill a second MidLevel Liberal Arts Exploration requirement.
- { Students are expected to follow the catalog requirements for General Education, the major, and additional requirements.
- { A minor or second major within the areas listed under Paths of Knowledge automatically fulfills that area of the Gen Ed requirements.
- { Students must complete 45 of their last 60 credits at Alvernia University
- { Students must complete community service hours as part of the General Education Program

Major Notes

The DPT program is offered in a 4+3 year and 3+3 year particular format. Prospective students with a 4-year accredited institution are welcome to apply to the 4+3 year format. The 3+3 year format enables Alvernia students who are admitted in one of 4 majors to follow a curricular plan in that major with the intention to be admitted to the DPT program in their senior year, upon completion of all requirements. Interested students should contact Dr. Christopher Wise, Physical Therapy Department Chair at christopher.wise@alvernia.edu

All prerequisite courses must be completed within 10 years of application to the DPT Program.

*Admission Requirements subject to change.

Human Anatomy and Physiology I and II

3-4 credits

- 4 credits each with lab

- 4 credits each with lab

6-9 credits (psychology, sociology/anthropology, humanities)

- 3 credits

-science Prerequisites (math, social science, psychology) may be completed online. For science Prerequisites (biology, chemistry, physics, anatomy, and physiology), the lecture portion of each course may be taken online, but the laboratory portion of each course must be taken in a traditional laboratory setting.
